

FACOM 715 - High Voltage Isolation Multimeter + Tester

715

DESCRIPTION

FACOM 715 - High Voltage Isolation Multimeter + Tester

Features

Suited to hybrid and electric vehicles

Leak current detection

Protection cover included

Technical characteristics

Isolation tester up to 4000 Mohm at 250V - 500V - 1000V

AC / DC voltmeter - 0 to 600V

AC / DC ammeter - 0 to 400mA
