1 Drawer - 270mm high - 3 modules

Drawer useful size - 569x421x60/130/270mm

Supplied with 6 partitions for drawers 60mm high and 2 partitions for drawers 130mm high

Centralised locking, jointed key lock

Interchangeable lock

Fitted with 4 pivoting jacks for a perfect finishing

Worktop

Multi-ply beech wood top 40mm thick ensuring resistance and longevity

Stainless steel covered version - covered with a brushed stainless steel plate 304L, 10/10th for increased resistance to shocks and heat

Front edge also covered with stainless steel, finishing off the sides by adding painted metal cheeks

Easy and fast assembly thanks to the pre-drilling of the metal inserts that only remains to be positioned according to the chosen furniture

Load resistance - 1000kg

Dimension

2182x750x880mm

JetLine+ Fixed Storage Benefits

More modularity - Work - organise - share and communicate

More space -Multiple possibilities to maximise use of our space

More freedom -Freely reorganise your workshop and create your ideal layout

More comfort - A genuinely pleasant work place

Zero constraints with its self-supporting structure

Imperatives such as water supplies - power supplies - thresholds - windows and doors cannot be moved
