2 x Base unit
A raised base can be added to go from a height from 880 mm to 1055 mm (including 40 mm worktop)
Front and rear baseboards can be easily removed to clean under furniture or to move furniture with a pallet truck
Epoxy painted sheet steel (thickness 12/10th)
Has to be fitted with the 4 pivoting jacks delivered with the base unit for a perfect finishing

Worktop
Multi-ply beech wood top 40mm thick ensuring resistance and longevity
Linseed oil treatment for better resistance to liquids and easy maintenance
Easy and fast assembly thanks to the pre-drilling of the metal inserts that only remains to be positioned according to the chosen furniture
Load resistance - 1000kg

Dimension
2182x750x1055mm

JetLine+ Fixed Storage Benefits

More modularity - Work - organise - share and communicate
More space -Multiple possibilities to maximise use of our space
More freedom -Freely reorganise your workshop and create your ideal layout
More comfort - A genuinely pleasant work place
Zero constraints with its self-supporting structure
Imperatives such as water supplies - power supplies - thresholds - windows and doors cannot be moved
