

FACOM JLS3-PBAST - JETLINE+ Stainless Steel Corner Worktop

JLS3-PBAST

DESCRIPTION

FACOM JLS3-PBAST - JETLINE+ Stainless Steel Corner Worktop

Features

Multi-ply beech wood top 40mm thick ensuring resistance and longevity

Stainless steel covered version - covered with a brushed stainless steel plate 304L, 10/10th for increased resistance to shocks and heat

Front edge also covered with stainless steel, finishing off the sides by adding painted metal cheeks

Easy and fast assembly thanks to the pre-drilling of the metal inserts that only remains to be positioned according to the chosen furniture

Load resistance - 100kg

Dimensions (WxDxH)

750x750x40mm

JetLine+ Fixed Storage Benefits

More modularity - Work - organise - share and communicate

More space -Multiple possibilities to maximise use of our space

More freedom -Freely reorganise your workshop and create your ideal layout

More comfort - A genuinely pleasant work place

Zero constraints with its self-supporting structure

Imperatives such as water supplies - power supplies - thresholds - windows and doors cannot be moved
