## DESCRIPTION

## FACOM ATXXVE - Insulated Torx Protwist Screwdriver

### Features

For improved safety each screwdriver is tested individually at 10000 Volt for 10 seconds VDE approved

Inline hardening process +100% tip life and +100% bar strength

Handle material - softer for more comfort and still chemical resistant

Handle Channel +10% torque

Laser marking - gives virtually permanent marking

CNC tip machining - gives better screw fit increasing torque transfer and reducing wear
