Elastic fabric for optimum comfort and adjustment

Adapted to wrist girth from 165 to 240mm

Fabric resists to most common solvents

Bracelet width - 50mm

Nominal acceptable load - 2.7kg

3 x SLS Hook To Carabiner Hook Cable

SLS HOOK hook securing tools against falling

100% reliable solution during tool transfer

The SLS HOOK double hook locks onto its SLS HOOK holder only upon connection with another SLS HOOK holder

The tool remains connected during the entire transfer operation

A tool fitted with the SLS HOOK double hook is transferred from one hand to the other or from one operator to another without any risk of falling

Unlike a tool fastened to the belt with a lanyard the SLS HOOK system is fastened to the user's wrist and reduces the falling height when the tool slips from the hand
